

How to get from NY10 Deco Suite to the parking house

■ **parking house address** H-1072 Budapest, Nyár utca 20., level III. place No: 80.

The parking house is located between Nyár utca and Nagy Diófa utca (street). Drive into the parking house by car you can only from the direction of Nagy Diófa utca (street) 17. Exit from the garage by car is only possible towards Nyár utca.

■ **driving in** H-1072 Budapest, Nagy Diófa utca 17.

When you enter the building by car, tap the magnetic card to the black panel next to the garage door. The garage door opens automatically. Drive 2 whole laps and you will find the parking space on the side of Nyár utca before the bend. Parking space number 80.

■ **exit on foot**

ATTENTION ! Do not leave the card in your car, because it is also necessary for pedestrian entry !!!

From the parking lot go through the glass doors, go down half level in the stairwell and take the lift down to level 1 to the pedestrian exit. You do not need to use the magnetic card when leaving the garage on foot. Just press the button next to the door to open it.

■ entry on foot

It can be reached on foot from both streets. The pedestrian entrance is on both streets next to the garage door. You can go in with the card. Touch the magnetic card near the black panel behind the glass window and press the door while beeping. Take the elevator to the parking lot on the 5th level. From there, go down half a level in the stairwell and pass through the glass doors. You will find parking space number 80 opposite the door (if approached from Nyár utca).

■ driving out

For driving out follow the exit sign and touch the magnetic card to the black panel in front of the garage door. The garage door opens automatically.

In case of any problem, pressing the intercom button next to the black panels will alert the garage staff.

The garage is not a public parking lot, it can only be used by tenants and owners. The building is closed, supervised but not guarded.

Traffic change. Attention!

Between 10 August 2020 - 31 October 2020, the direction of traffic on the streets will change temporarily.
